

Philadelphia School of Korean Karate

The Philadelphia School of Korean Karate is pleased to work with and teach your children karate. The children's program provides instruction for children from eight to fourteen years of age. Training is designed to develop self-discipline and confidence while improving physical conditioning and coordination. We encourage our students to learn and move up through our ranking system of stripes and belts.

We also will have one to two Kids' Tournaments a year. This event is open to all students. Events include Forms and Basics for White Belts and Forms and Sparring for Yellow Belts and up. Students compete against others in their belt class and against students from our sister school at the Upper Main Line YMCA.

It is encouraged that all students participate in the tournament. It gives them a chance to showcase their skills and build confidence in front of their peers and adults. I hope to see all of our students there.

In order for participation in sparring in class or one of our tournaments, it is **imperative that the students wear protective gear – shin guards, gloves, and mouth guards.**

(White Belts do not spar and are not required to have sparring gear)

Please contact me with any questions.
